

# **Report on Mock Drill (Govt. College Seraj) 15/09/2021**

**Organised by  
National Disaster Management  
Authority (NDMA) Mandi  
&  
Government College Seraj at  
Lambathach  
Mandi (H. P.)**

## **Introduction:**

Mock Exercise Mock exercises in educational institutes on various types of natural and anthropogenic hazards helps in inculcating a culture of preparedness and generate awareness among students. Mock exercises will help the government to assess the preparedness, review the crisis management system, Standard Operating Procedures and to evaluate the readiness of various departments to any disaster or emergency. Mock exercises will also give the opportunity to coordinate the activities of various agencies for their optimum utilization and to use the feedback to identify the gaps and improve the capacities of the system to face an actual disaster situation.

## **Objectives of the mock exercise:**

- To assess the response mechanism of the first responders.
- To check the preparedness and efficiency of different stakeholders.
- To examine the functioning of IRS and SOP at District level.
- To find gaps in the resource, manpower and communication systems in institutional level.
- Enhance coordination among the emergency support functioning agencies
- Awareness creation among the students and Staff.
