

Internal Assessment mechanism (quizzes, class test, presentation, assignment/, MTT etc.)

The internal assessment mechanism at Government College Seraj, Lambathach, is designed to evaluate students' academic performance regularly. This report highlights the various components of the internal assessment mechanism.

Components of Internal Assessment:

1. **Quizzes:** Conducted regularly to assess students' understanding of specific topics.

2. **Class Tests:** Held periodically to evaluate students' grasp of course material.

3. **Presentations:** Students deliver presentations on assigned topics to develop communication skills.

4. **Assignments:** Students complete tasks to demonstrate understanding and research skills.

5. **Mid-Term Tests (MTT):** Conducted midway through the semester to assess students' progress.
