Rangers & Rovers Participating

The Rovers and Rangers unit at Government College Seraj, Lambathach, embodies the spirit of adventure, community service, and leadership. As part of the Bharat Scouts and Guides, Rovers and Rangers focus on character building, teamwork, and nation-building. Through activities like trekking, camping, first aid, and disaster management, members develop physical and mental resilience. Community service projects, such as environmental conservation and social welfare initiatives, foster social responsibility. The unit's trained leaders and dedicated members have actively participated in state and national-level camps, earning accolades for their contributions. By instilling values of discipline, self-reliance, and civic engagement, Rovers and Rangers shape young minds into compassionate and dynamic leaders.
