## Road Safety Club Participating

The Road Safety Club at Government College Seraj, Lambathach, plays a vital role in promoting road safety awareness and responsible transportation habits among students and the local community. Established to address the growing concern of road accidents, the club actively organizes workshops, seminars, and rallies to educate people on traffic rules and safe driving practices. Members of the club, comprising enthusiastic students and faculty, conduct regular awareness campaigns, distribute safety pamphlets, and collaborate with local authorities to ensure adherence to traffic regulations. The club's initiatives have significantly contributed to reducing accidents and promoting a culture of road safety in the region. Through its tireless efforts, the Road Safety Club at GC Seraj has emerged as a beacon of responsible citizenship and community service.

A report of Road Safety Club for the session 2023-24 is attached in QR Code format :
