## Student Centre for co-curricular activities and its regular usage

The Student Centre at Government College Seraj serves as a vibrant hub for co-curricular activities, fostering holistic development and camaraderie among students. This centre is utilized regularly by students for various purposes, including cultural events, literary clubs, sports, art workshops, and community service initiatives. With facilities like a multipurpose hall, music and dance rooms, art studio, library, and indoor and outdoor sports facilities, students can explore their passions and interests beyond academics. Daily, student clubs and societies meet for rehearsals and discussions, while weekly guest lectures, workshops, and seminars enrich their knowledge. Monthly cultural events and competitions showcase talents, and quarterly inter-college events promote healthy competition. Over 500 students participate annually, with 20+ active clubs and societies, making the Student Centre a thriving platform for self-expression, teamwork, and personality development.
