

Blood donation camps

Blood donation is the most precious gift that anyone can give to other persons-the gift of life. Blood donation camps organized by the college every year in collaboration with Blood bank unit Lal Bahadur Shastri Medical College Nairchowk Mandi, which inculcate the awareness, humanity, promote social responsibility, provide platform and reduce misconception about blood donation amongst the students. The camp is inaugurated with a motivating session by the subject experts to make the students understand the importance of this best practice. Prior to donation, the donor Students will be screened to identify their quality of blood to be collected. The underweight and the infected persons will not be allowed to provide donations as the medical advice. Donors will be informed that by each donation their blood cells will be rejuvenated and hence youthfulness in the blood will be present on every occasion. Donors will be provided with scientific information regarding the blood group and its associated diseases. Teachers, students and nearby villagers take parts in the blood donation camp and donate blood. College NCC, NSS, R&R, Red Ribbon Club and Eco Club students also actively participated in such types of camp. In the session 2023-24, 43 donors donate blood in this blood donation camp.
