**Dated:** 18<sup>th</sup> September 2024

## **Skill Development Training (at least 20% students benefited)**

Government College Seraj recognizes the importance of skill development in enhancing employability and career prospects. To bridge the industry-academia gap, the college offers various skill development training programs for students, focusing on technical, soft, and entrepreneurial skills. These programs include certifications in computer programming, data analysis, digital marketing, and foreign languages. The college has established partnerships with industry leaders to provide internship opportunities, workshops, and guest lectures, ensuring students gain practical exposure. Additionally, the college's Entrepreneurship Cell and Incubation Center foster innovation and startup culture, providing resources and mentorship to aspiring entrepreneurs. The college's skill development initiatives have resulted in impressive placement records, with students securing jobs in renowned companies and startups.
