CRITERION 1- TEACHING LEARNING

1.2. Curriculum Planning and Implementation

1.2.1. Teaching Schedule

The teaching schedule at **Govt. College Seraj, Lambathach**, is meticulously planned to ensure optimal utilization of instructional time and academic resources. The college follows a yearly-based system, with each academic year comprising approximately **25–30 weeks of effective teaching**. The daily teaching schedule generally begins at **10:00 AM** and concludes at **04:00 PM**, with continuous teaching hours as the college does not observe a formal lunch break.

Faculty members adhere strictly to a standardized timetable prepared at the beginning of the session. The timetable includes **class schedules, course allocations, room assignments, and faculty details**, which are prominently displayed on the college notice board and made available through digital platforms whenever required. Departments maintain their internal records to ensure smooth conduct of lectures, tutorials, and practical sessions.

This structured and transparent approach helps students plan their academic routine efficiently, ensuring a balance between **classroom learning, assignments, practical work, and self-study**. Regular monitoring by the Heads of Departments and IQAC ensures timely completion of the syllabus and effective implementation of the curriculum across all programmes offered by the college.
