## CRITERION 1- TEACHING LEARNING

### **1.2. Curriculum Planning and Implementation**

#### **1.2.2. Whether learning outcomes defined**

Government College Seraj at Lambathach has clearly defined Programme Outcomes (POs) and Course Outcomes (COs) in accordance with the guidelines of the University Grants Commission (UGC) and Sardar Patel University (SPU). These outcomes specify the essential knowledge, skills, competencies, and values students are expected to acquire during their academic programmes.

The POs emphasize the development of critical thinking, communication skills, analytical ability, digital literacy, ethical values, and problem-solving skills, while the COs outline specific learning objectives for each course. To evaluate the achievement of these outcomes, the college uses multiple assessment methods such as written examinations, assignments, quizzes, presentations, projects, and internal assessments.

The IQAC and departmental committees regularly review the attainment of learning outcomes through feedback and academic performance analysis. These reviews guide curriculum updates, teaching improvements, and institutional planning, ensuring that graduates are equipped with the necessary competencies for higher education, employment, and societal contribution.
