CRITERION 1- TEACHING LEARNING

1.2. Curriculum Planning and Implementation

1.2.4. Internal Assessment Mechanism (Quizzes, Class tests, Presentations, Assignments, MTT etc.)

Government College Seraj at Lambathach follows a structured and transparent internal assessment mechanism to ensure continuous evaluation of students' academic progress. Departments conduct quizzes, class tests, mid-term tests (MTT), presentations, assignments, viva-voce, and practical assessments as part of the internal evaluation process. These assessment tools help measure students' understanding of course content, analytical skills, communication abilities, and overall performance throughout the semester. Faculty members maintain records of internal assessments and provide timely feedback to students to support their learning and improvement. The internal assessment process is aligned with university guidelines and monitored by the IQAC to maintain fairness, accountability, and academic standards.

Explanation of Assessment Components:

- **Quizzes:** Short, objective assessments conducted to quickly check students' understanding of recently covered topics and reinforce daily learning.
- **Class Tests:** Periodic written tests held after completion of specific units to evaluate continuous academic progress and readiness for final examinations.
- **Presentations:** Students present on assigned topics to demonstrate conceptual clarity, communication skills, confidence, and the ability to present academic content effectively.
- **Assignments:** Course-related tasks given to promote independent learning, analytical thinking, and application of classroom knowledge to practical or theoretical problems.
- **Mid-Term Test (MTT):** A formal internal examination conducted mid-session to assess cumulative learning of the first half of the syllabus and contribute to internal marks.
