CRITERION 2- STUDENT SUPPORT, SERVICES AND PROGRESSION

2.1. Pre- and Post-admission Counseling

2.1.1. Admission Schedule, Courses available, Student Intake, Eligibility conditions communicated through various Media

Government College Seraj at Lambathach ensures a transparent and student-friendly admission process through effective pre- and post-admission counseling. The college disseminates detailed information about the admission schedule, available courses, intake capacity, eligibility criteria, fee structure, and required documents through multiple platforms such as the college website, notice boards, prospectus, WhatsApp groups, and social media. During the session 2024–25, these communication channels played a crucial role in ensuring that prospective students and parents received timely and accurate updates regarding admissions.

Faculty members and the Admission Committee provided personalized guidance to help students choose suitable programmes based on their interests, eligibility, and future career goals. Help desks were arranged on the campus to support students in completing online admission forms, understanding reservation policies, and resolving admission-related queries. After admission, students were briefed about academic regulations, attendance requirements, internal assessments, and the range of academic and support services offered by the institution.

This multi-layered communication and counseling system ensured a smooth, transparent, and accessible admission process, enabling students to make informed choices and begin their academic journey with clarity and confidence.
