2.2. Scholarships

2.2.1. Awareness about different Scholarship Schemes and 100% coverage of all eligible students

In Government College Seraj at Lambathach, students were made aware from time to time about different Central and State Government scholarship schemes. Information regarding available scholarships, eligibility criteria, required documents, and application procedures was regularly shared through notices, classroom announcements, and interactions with teachers. The college also provided assistance to students in filling online scholarship forms and uploading documents, especially for those facing technical or financial difficulties. Regular follow-up was carried out to ensure timely submission and verification of applications. As a result of these continuous efforts, 100% coverage of all eligible students under scholarship schemes was successfully achieved, helping students continue their education without financial hardship.
