## CRITERION 2- STUDENT SUPPORT, SERVICES AND PROGRESSION

### 2.8. Mentor-Mentee Groups

#### 2.8.1. Sessions conducted per group of students

The **Mentor–Mentee system** was implemented effectively at **Government College Seraj at Lambathach** during the academic session **2024–25** to provide academic, personal, and psychological support to students. The college had a total student strength of **433**, which was mentored by **11 teaching staff members**, maintaining an average mentor–mentee ratio of approximately **1:39**. Faculty members were assigned as mentors to groups of students and conducted regular interactions to guide them on academic progress, career planning, discipline, and personal concerns. This structured mentoring mechanism facilitated early identification of student issues, timely guidance, and strengthened teacher–student bonding, thereby contributing positively to the overall development and well-being of students.
