CRITERION 3- INFRASTRUCTURE & RESOURCES
3.2. Library Facilities
3.2.6   Digital Library having at least 5 Computer Systems with Internet Facility

During the academic session **2024–25**, the Library of Government College Seraj at Lambathach was strengthened with digital infrastructure to support technology-enabled learning. **Five computers with reliable internet connectivity** were installed in the library for **digital library purposes**, enabling students and faculty members to access a wide range of online academic resources. These computers facilitate the use of **e-books, e-journals, online databases, and the INFLIBNET facility**, thereby enhancing research, reference work, and self-learning.

The digital library facility is accessible to all students of the institution and supports blended learning practices, especially for project work, assignments, competitive examination preparation, and academic research. The availability of internet-enabled computers within the library has significantly improved information accessibility and encouraged students to develop digital literacy skills, reflecting the institution's commitment to modernizing library services and promoting quality education.
