## CRITERION 3- ICT FACILITIES

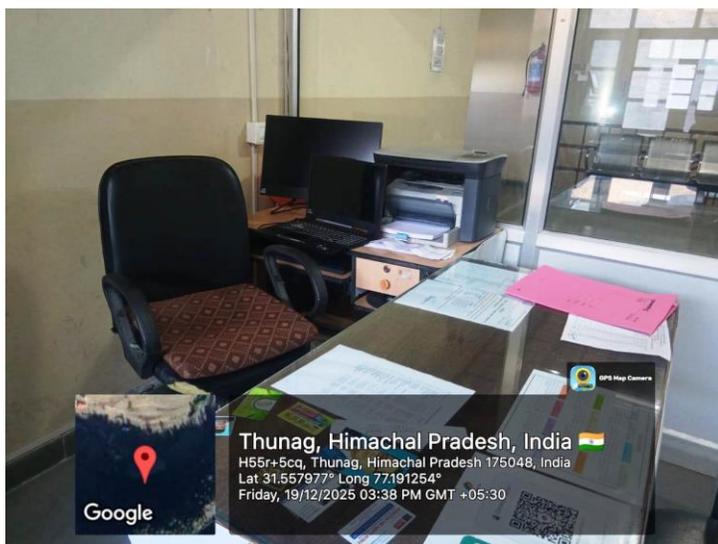

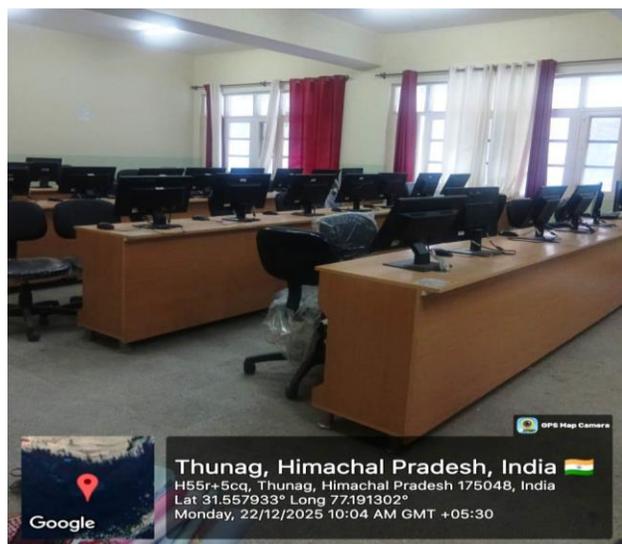

### 3.3. Library Facilities

#### 3.3.5 Use of ICT Facilities

**Government College Seraj at Lambathach** made effective and extensive use of **ICT facilities** to enhance the teaching–learning process. The institution allotted **more than five smart classrooms** for regular teaching purposes, equipped with **digital boards, digital screens, interactive panels, and projectors**. Faculty members also utilized the **conference room and ICT laboratory** from time to time for academic activities, seminars, and interactive learning sessions.

Teachers regularly prepared **PowerPoint presentations**, shared **YouTube-based educational resources**, and used **digital boards** to improve classroom delivery. Departments such as **Political Science, History, English, Economics, Physics, and Commerce** actively integrated ICT tools into their teaching practices. Consequently, **more than 50% of the faculty members** and **over 70% of the students** benefited from ICT-enabled instruction.

The college is further supported by **campus-wide Wi-Fi connectivity with a 200 Mbps internet speed**, facilitating seamless access to online learning resources, virtual classrooms, e-content, and **digital library and INFLIBNET facilities**. The effective use of ICT has promoted blended learning, enhanced student engagement, and significantly improved the overall academic quality of the institution during the session **2024–25**.
