5.2. Special Initiatives taken for

5.2.5. Blood Donation Camps

Mega Blood Donation Camp – 2024

Date: September 30, 2024

Organized By: Red Ribbon Club (RRC)

Partner Organization: New Life Line NGO

Medical Support: Zonal Hospital, Mandi

On September 30, 2024, a joint Blood Donation Camp was organized at the college premises. This humanitarian initiative was a collaborative effort between the college's **NCC, NSS, and Red Ribbon Club**, in partnership with the **New Life Line NGO**. The camp served as a platform for students to contribute directly to community health and emergency medical preparedness.

Principal **Prof. Jaya Kumari** addressed the gathering, emphasizing that blood donation is the highest form of service to humanity. She highlighted that such events are essential for the holistic development of students, as they instil the values of empathy and civic duty. She further encouraged the youth to lead a healthy lifestyle so they can remain eligible donors throughout their lives.

A specialized medical team from **Zonal Hospital Mandi** facilitated the collection process under the leadership of **Dr. Abhishek Kumar**. The team ensured a safe, sterile, and professional environment for all donors. The technical and pharmaceutical support was provided by **Mr. Ashwini, Mr. Rakesh, Mr. Ravinder** and **Mr. Sanjay**.

The drive saw enthusiastic participation from the college fraternity. After rigorous health screenings to ensure donor safety, a total of **41 units of blood** were successfully collected and handed over to the Zonal Hospital blood bank.

A significant highlight was the collective **Pledge Ceremony**. Faculty members and students took a formal oath, committing to continue serving the nation through regular voluntary blood donation and to act as advocates for health awareness within their respective communities. The event concluded with the distribution of refreshments to the donors and a vote of thanks by **Dr. Dalip Singh**. The college extends its sincere gratitude to the medical staff and the **New Life Line NGO** for their invaluable partnership in making this life-saving drive a success.
