CRITERION 5- BEST PRACTICES, INNOVATION AND INSTITUTIONAL DISTINCTIVENESS

5.5. Collaborations

5.5.2. With other Government Bodies/ Industries

- A major factor in an educational institution's expansion is the signing of MOUs with Research Institutes, Peer Educational Institutions, Government Bodies and Industries. These collaborations create a link between academia and the outside world, enhancing research and learning environments, strengthening institutional resources, and increasing overall impact and growth.
- Currently there are no MOUs in effect between the college and any Research Institutes, Peer Educational Institutions, Government Bodies and Industries for the academic year 2024–2025. In the current academic year 2025-26, the college intends to sign MOUs with a number of Research Institutes, Peer Educational Institutions, Government Bodies and Industries for the betterment of students and Institution.
